What is AdConnect ND?

AdConnect ND is the North Dakota Newspaper Association's online display advertising network. Your ad will appear in both of these sizes: 300x250 and 728x90, and run on 28 newspaper and newspaper industry websites for only \$300/month (*\$300 includes 4 calendar weeks. Option to buy per week at \$100/week. You save \$100 by going 4 weeks!*).

Each website will place your ad with "run-of-site" exposure during the entire schedule ordered.

The North Dakota Newspaper Association (NDNA) coordinates all placements on participating newspaper websites. Impressions are monitored frequently, and materials are updated often to reflect any changes.

This online ad network gives you incredible savings and statewide exposure... and beyond! We would enjoy the opportunity to work with you on including this online ad network to your current print campaign!

Why advertise on North Dakota newspaper websites?

Surveys have shown North Dakota newspapers are read and trusted more than any other source. (*2014 Newton Research Survey*).
