2025 Comprehensive Guide to N.D. Media

# YOUR SOURCE for power and information

North Dakota's electric cooperatives are your source for power and information. Whether it's the power you depend on every day for your home or business or the information you need to make decisions about how to power your lives, North Dakota's electric cooperatives are here to support you.

Each month, we deliver *North Dakota Living* to more than 82,000 homes and businesses with stories that matter to North Dakotans. Visit [www.ndliving.com](http://www.ndliving.com).

# all in one.

Save time with NDNA's All-In-One program!

## in print.

NDNA has the ability to give you the widest newspaper reach in the state. With display ads, inserts, or line advertising, we can help you choose the best format for your message.

## online.

The AdConnect Network was designed to put you in front of more eyes across the state than ever before. As online consumption continues to rise, we can help you stay in front of your consumers.

## everywhere.

Looking for more? Give us a call, we can work with you to help you get pricing and scheduling details for the other media groups as well.

To learn more: (866) 685-8889 • [www.ndna.com](http://www.ndna.com)

## “One Call, One Order, One Bill” Advertisement Placement Service

We'll make it simple for you! Call us to place your newspaper and digital advertising with ease. We can give you quotes on all or select North Dakota newspapers and digital products. We can also give you quotes for newspapers in other states. We take care of all the paperwork and ordering, and you get one easy bill! Call Liz Prather, Advertising Coordinator, at 701-223-6397, or by email at [adcoordinator@ndna.com](mailto:adcoordinator@ndna.com) to get started.

## NorthSCAN (N.D. Statewide Classified Advertising Network)

For \$160 you can place your 25-word classified line advertisement in all 76 North Dakota daily and weekly newspapers. Contact Shari Peterson for details at [sharip@ndna.com](mailto:sharip@ndna.com).

## 2x2 Advertising Network

Reach 145,000 homes for only \$700. Place your 2x2 display advertisement in any or all of the four regions designated in the program, and we'll take care of the rest. For more information on this program, contact Shari Peterson at [sharip@ndna.com](mailto:sharip@ndna.com).

## Digital Advertising: AdConnect ND (Newspaper Website Advertising Network)

Get your message online with NDNA's online display advertising network. You receive two different ad sizes for one price! We also offer targeted web ad and email campaigns tailored to the market you want to reach! Contact [director@ndna.com](mailto:director@ndna.com).

## News Release Distribution

NDNA offers a media news release service for all of North Dakota. Whether you're trying to reach all of North Dakota's newspapers or radio/television stations, we can do it for less time and money than it would cost you. For more information on dispersing your news release, contact Shari Peterson, Office Coordinator at [sharip@ndna.com](mailto:sharip@ndna.com).

## Clipping Service

North Dakota's only complete newspaper clipping service is now available through NewzGroup! Simply let the NewzGroup team know which topics interest you, and they do the rest. Their staff reads all of North Dakota's daily and weekly newspapers, and "clips" the articles, photos and advertisements for you as requested, emailing them to you each week in a pdf format. For more info, contact NewzGroup at (800) 474-1111 or email [info@newzgroup.com](mailto:info@newzgroup.com).

## NDNA Associate Membership

Interested in the newspaper industry? Not employed with a newspaper? The North Dakota Newspaper Association offers two levels of associate memberships: Silver Membership (\$150) and Gold Membership (\$300). Contact Shari Peterson, Office Coordinator to find out more about all your benefits when you sign up as an NDNA Associate Member at [sharip@ndna.com](mailto:sharip@ndna.com).

## Convention Sponsorships and Tradeshaw Opportunities

NDNA holds an annual member convention at different locations across North Dakota. We offer sponsorship opportunities as well as space for tradeshow vendors. Please contact Cecile Wehrman, Executive Director at [director@ndna.com](mailto:director@ndna.com) if you would like to discuss opportunities to introduce your business at our annual convention.

## NDNA Education Foundation

The NDNA Education Foundation is a charity in place to help "promote the advancement of journalism education, study, research and development through financial assistance, internships, fellowships, lectureships and other means to enhance the newspaper profession in North Dakota." If you would like to learn more about the Foundation, or would like to donate to the Foundation, please contact Cecile Wehrman, Executive Director at [director@ndna.com](mailto:director@ndna.com).

## ADVERTISING IS KEY

1. People may not need your product or service today, but they may need it tomorrow
2. Frequency builds trust
3. Frequent advertising builds credibility to your message
4. When an ad is seen frequently, it gets the consumer yearning for your service and they will take action to buy it
5. Advertising frequently helps put your name out in front of the competition's
6. Frequency is the best way to get lower advertising rates
7. Advertising frequently is a lot like repeatedly inviting a friend to come see you — one day they are bound to visit
8. Frequent advertising helps you build a steady source of incoming sales
9. Out of sight, out of mind
10. You make more money when you advertise frequently — it's plain and simple

## The Benefits of Top of Mind Awareness

- Consumers instinctively seek out the brand they first thought of, which will translate into greater sales for your business.
- Marketing becomes more effective because the public is already familiar with your brand.
- Enhanced brand value and integrity: brands that achieve top of mind awareness often command more trust and generate more revenue.
- PR is painless: attract more coverage when your brand is a household name.
- Search rankings will soar: the more consumers that Google your brand, the higher your site's position will be for related keyword search results.
- More prospects: the more people are aware of your products the easier it is to bring them through the eCommerce funnel toward conversion.

Langdon, ND ♦ Grafton, ND ♦ Morden, MB

At Simmons Multimedia, we offer targeted marketing solutions for the lucrative borderland of northeast North Dakota. Our eight radio stations have a combined footprint of eleven-thousand square miles which includes city-grade coverage in communities across southern Manitoba and northwest Minnesota.

Our newspapers are The Borderland Press which is the official Cavalier County newspaper, and Valley News & Views which serves the town of Drayton.

Our Video Production Division creates award winning videos for local businesses and organizations.

Simmons Community Cable TV Access Channels are programmed to several local towns served by Midco Cable Company and United Communications. These markets include Langdon, Rolla, Walhalla, and other population centers.

Our Digital signs are seen in businesses throughout the in northeastern North Dakota & northern Manitoba.

Our associated websites, apps and social media pages reach thousands of users.

We are a privately held, family owned and operated business which considers our employees to be our greatest asset. We are honored to join the North Dakota Newspaper Association and look forward to meeting and working with you to strengthen the position of local hometown media for our readers, listeners, viewers, and advertising partners. Here's to 2025!

# Kid Scoop News®

## AWAKENING THE MAGIC OF READING

### Support Kid Scoop News Now!

We need an informed citizenry to be able to read and understand proposals by state legislators, evaluate which candidates to vote for, and make informed choices on measures that could change citizen rights.

Kid Scoop News regularly features pages that delve into the difference between facts and opinions not to mention anonymous vs. named sources, the 5 Ws of good reporting, and more.

Kid Scoop News is aimed at making reading fun, and covers subjects kids are interested in -- from animals to sports, science and how to draw, money matters and legends, to name just a few.

Kid Scoop News is designed by educators to tie into the standards North Dakota is already teaching to, so it's easy to plug into existing curriculum. Sending this material home with students is like giving them a book a month and we're able to do that for a full year for a cost of under \$10 per student per year.

Your donation of \$250 will sponsor a classroom for a whole year, but any amount is appreciated!

For more information, contact Project Leader Cecile Wehrman at [director@ndna.com](mailto:director@ndna.com)

# OPEN MEETINGS

## Office of Attorney General OPEN MEETINGS GUIDE

600 E. Boulevard Avenue, Dept. 125, Bismarck, ND 58505. Tel: (701) 328-2210

North Dakota's laws state that all government records and meetings must be open to the public unless otherwise authorized by a specific law. The basic laws are found in North Dakota Century Code, beginning at §44-04-17.1. The public has the right to know how government functions are performed and how public funds are spent.

### DEFINITION OF MEETING

Meeting means any gathering of a quorum of the members of a governing body of a public entity regarding public business, and includes committees and subcommittees, informal gatherings or work sessions, and discussions where a quorum of members are participating by phone or any other electronic communication (either at the same time or in a series of individual contacts).

• If a governing body delegates any authority to two or more people, the newly formed committee is subject to the open meetings law even if the committee does not have final authority or is just fact-finding. What it is called does not matter, it is still a committee. Committee meetings must be noticed, and minutes taken.

• Portfolios are a committee of the governing body if more than one commissioner holds the portfolio.

• Emails or text messages between members of a committee or subcommittee regarding public business may constitute a meeting and violate open meeting laws.

Training seminars and purely social gatherings attended by a quorum of a public entity are not meetings, however, as soon as the members discuss any public business, it becomes a "meeting."

### MEETING SCHEDULES

If the governing body holds regularly scheduled meetings, the schedule of these meetings must be posted annually on the entity's official website OR filed with the Secretary of State (for state agencies), the City Auditor (city level entities), or the County Auditor (all other entities).

• The annual meeting schedule also must be furnished to anyone who requests the information.

• Filing the annual meeting schedule does not relieve a public entity of its obligation to post a meeting notice/agenda for each meeting.

### MEETING NOTICES

Prior written notice is required for all meetings of a public entity, including committees and subcommittees.

• Generally, there is no minimum advance notice period for public meetings.

An entity must provide public notice of the date, time

### EXECUTIVE SESSIONS

Only the portions of a public meeting that are specifically confidential or exempt from the open meetings law may be closed to the public and held in executive session. The remainder of the meeting must be open to the public.

• Generally, a public entity may not close a meeting to discuss salary issues or employee job performance. There are several reasons why a meeting may not be open to the public. For instance:

• The portion of a meeting during which confidential or exempt records are considered may be closed to the public. This is particularly common for school board meetings to discuss student records.

• Board meetings concerning the nonrenewal, dismissal for cause, or suspension of a teacher, principal, superintendent, or directors may be closed except for certain representatives of the board and the teacher, principal, superintendent, and director.

• A governing body may close a meeting to talk with its attorney if the discussion pertains to the attorney's advice regarding a "pending or reasonably predictable" lawsuit involving the public entity.

• An executive session also may be held to discuss the risks, strengths or weaknesses of an action of the public entity or negotiating strategy, if holding the discussion in an open meeting would have an adverse fiscal effect on the bargaining or litigating position of the public entity.

• In addition to discussing closed or confidential economic development records, an executive session is authorized to discuss a public entity's efforts to recruit a new business to the area served by the public entity.

• State agency loss control committee meetings regarding closed records of a specific pending or reasonably predictable claim against the state or a state employee may be held in executive session.

### CLOSED MEETINGS PROCEDURES

Although certain statutes may apply to particular meetings or entities, state law specifies the following general procedure for holding an executive session.

1. Convene in an open session preceded by public notice;
2. Announce during the open portion of the meeting the topics to be considered during the executive session and the legal authority for holding an executive session on those topics;
3. Pass a motion to hold an executive session, unless a motion is unnecessary because a confidential meeting is required;
4. Record the executive session electronically;

5. Limit the topics considered during the executive session to the announced, authorized topics;
6. Take final action on the topics considered in the executive session during the open portion of a meeting.

Under these provisions, a governing body's authority to hold an executive session may be invoked only during a properly noticed open meeting, and not during a separate meeting for which public notice is not provided. To close a portion of the meeting, the governing body may either excuse the public or reconvene in another location.

A vote to go into executive session is not necessary if a confidential meeting is required or if the governing body is closing the meeting to discuss confidential records. However, because a discussion of exempt records does not necessarily have to occur in an executive session, a vote is necessary to determine whether the discussion will occur in an open meeting or in an executive session.

Final action on the topics considered in the executive session must be taken during the open portion of the meeting. Substantive votes must be recorded by roll call.

### MINUTES

The minutes of meetings are public records and must be provided to anyone upon request. Draft minutes should be made available to the public even if the minutes have not been approved. Some public entities are required by law to provide minutes to the official newspaper. Minutes must include, at a minimum:

1. The names of the members attending the meeting;
2. The date and time the meeting was called to order and adjourned;
3. A list of topics discussed regarding public business;
4. A description of each motion made at the meeting and whether the motion was seconded;
5. The results of every vote taken at the meeting and;
6. The vote of each member on every recorded roll call vote.

This requirement applies to all governing bodies, including committees and subcommittees.

### OPINION REQUESTS

A request for an Opinion alleging that a public entity held a meeting without posting public notice must be received by the Attorney General's office within 90 days of the alleged violation, regardless of when the requester learned about the violation. For all other violations of the open meetings laws, the request for an Opinion must be received within 30 days of the alleged violation. ❑

# OPEN RECORDS

## Office of Attorney General OPEN RECORDS GUIDE

600 E. Boulevard Avenue, Dept. 125, Bismarck, ND 58505. Tel: (701) 328-2210

North Dakota's laws state that all government records and meetings must be open to the public unless otherwise authorized by a specific law. The basic laws are found in North Dakota Century Code, beginning at §44-04-17.1. The public has the right to know how government functions are performed and how public funds are spent.

### DEFINITION OF RECORD

"Record" includes all recorded information regardless of physical form (e.g. paper, e-mail, computer file, photograph, audiotape or recording, video, text message, etc.) that has a connection with how public funds are spent or with the public entity's performance of its governmental functions or its public business, regardless of format or location.

Minutes, memos, reports, outlines, notes, employee salary and job performance records, contracts, telephone records, and travel vouchers are all OPEN records and must be provided upon request.

### REQUESTS FOR RECORDS

Anyone has the right to view or get a copy of public records, regardless of the reason or where they live. A request for public records can be made in any available medium. Generally, a public entity cannot ask why the records are requested, ask for identification, or require a request be made in writing (or in person). However, a request must reasonably identify existing records. If a request is unclear, the entity may require written clarification but cannot ask the requester's motive or identity. The entity can delay taking action until receiving written clarification.

A request for information is not a request for records. A public entity does not have to respond to questions about its decisions, duties, functions or operations or to explain the content of its records.

The public entity must respond to a record request within a reasonable time, either by providing the record or explaining the legal authority for denying all or part of the request. What is "reasonable" depends on a number of factors, including the scope and type of records requested.

A public entity may only deny access to or a copy of a record for which there is a specific statute closing all or part of the information. A statute may declare certain records to be exempt or confidential.

If a record is exempt, a public entity has discretion to release or withhold it. If a record is confidential, it either cannot be released or the confidential information within the record first must be redacted.

### ALLOWABLE CHARGES

Access to public records is generally free. An entity may charge up to 25¢ a page (standard letter or legal size paper), or other types of records, the entity may charge

the actual cost for copying, including labor, materials and equipment.

The first hour of locating requested records (including electronic records) is free. After the first hour, the entity may charge \$25/hr for locating records and a separate \$25/hr (after the 1st hour) for redacting any exempt or confidential information. If providing electronic records takes more than one hour, in addition to charges for locating and redacting, the entity may charge the actual cost incurred for use of technology resources. The entity can require full payment of any estimated costs before starting to make copies or releasing records.

An entity does not have to convert its records to another format, create or compile records that do not exist, or obtain records originating from another public entity that it does not have in its possession.

If requested records are available on an entity's website or online, an entity can direct the requester to where the record can be accessed and does not have to provide a copy unless a requester is not reasonably able to access the internet.

A public entity may allow the use of personal devices to duplicate records but can impose reasonable procedures or conditions to protect the integrity of its records.

### DENIAL

If a request for records is denied, the entity must explain what specific federal or state law makes all or part of the record closed. If asked, the entity must put the reason for the denial in writing. The denial must state if the requested record does not exist.

It is not a violation if a public entity declines to provide an exempt record, or if the reason a public entity cannot provide a record is that does not exist, even if the requester believes the record should exist.

### REFUSAL

If repeated requests for records disrupt other essential functions, a public entity may refuse to provide access to or copies of its records to that requester but must put its reasons for doing so in writing. A requester may seek an opinion from the Attorney General on whether the entity's refusal was proper.

### OPINION REQUESTS

A request for an opinion must be submitted to the Office of Attorney General within 30 days of the alleged open record violation or refusal, regardless of when the requester became aware of the violation.

### EXEMPT (may be withheld at the discretion of the public entity)

- Home address, home/personal phone numbers, employee ID number, driver's license number, dependent information and emergency contact of public employees §44-04-18.1(2), or individuals licensed by a state occupational/professional board, association, agency, or commission §44-04-18.1(4).
